

GENERAL RULES AND REGULATIONS

1. The Pennsylvania State Farm Show management will exercise every reasonable care in the protection of exhibits but will not be responsible for loss or damage from any cause including fire or theft. All exhibits will be under the direction of the Farm Show Director but in no case will he or the Commonwealth of Pennsylvania or its agencies and instrumentality's be responsible for any loss or damage that may occur. Each exhibitor will be solely responsible for any loss, injury, or damage, done or occasioned by or arising from any exhibit entered by him and shall indemnify and hold harmless the Commonwealth against such loss, injury or damage in regard thereto. Each exhibitor is required to sign a liability waiver/hold harmless statement as a condition of entry. For exhibitors 17 years of age or under this statement will be signed by his parent or guardian.
2. Entries postmarked prior to September 20, 2011, will not be accepted and will be returned to the exhibitor.
3. All competitive exhibits must have been grown, made or fashioned in Pennsylvania since the 2011 Farm Show unless otherwise stated under specific departmental rules. These exhibits must be the bona fide property of the exhibitor residing in Pennsylvania. The Commission reserves the right to reject any exhibit that is questionable as to variety or breed, or does not show excellence in its respective classification.
4. The Farm Show Commission reserves the right to withhold any premium for lack of merit of exhibits and authorizes judges to award a lower place premium if deemed best. The Commission further reserves the right in case of determined ineligibility of an exhibit, following the judgment but prior to the close of the show, to grade up other exhibits of the same class and pay premium on the revised placings. The Show management will not assume responsibility for the payment of premiums offered other than those provided by the Commission. All premiums are subject to change by the Farm Show Commission dependent upon funding support.
5. Exhibitors are not permitted to bring livestock, dairy cattle or other items not entered for exhibit to the show building for sale purposes.
6. All exhibits will be under the direction of the Farm Show management. The show management and/or Farm Show Commission reserves the right to interpret all rules and regulations governing the show, make such interpretations, decisions and settle and determine all matters, or differences, in regard thereto, as may be necessary for the proper conduct of the show. All such interpretations and decisions will be final. Protest may be made to the Farm Show Commission by an exhibitor for any violation to the rules. All protests must be made by the protester, addressed to the Farm Show Director, received within 24 hours of the alleged violation. A \$50.00 deposit must accompany any protest requiring an investigative procedure. Deposit will be returned in the event the protest is sustained.
7. The space for competitive exhibits is limited. The Farm Show Commission reserves the right to limit the number of entries in any department of the Show to those which can be accommodated in the available space. Any exhibitor who removes or tampers with stalling signage or stall charts will be disqualified from participation in the Farm Show.
8. The General Entry Blank, page 171, should be used in all cases where no special blank is provided.
9. Exhibit must be shipped PREPAID to "name of Exhibitor," care of Director, Pennsylvania Farm Show, Pennsylvania Farm Show Complex & Expo Center, 2300 N. Cameron Street, Harrisburg, Pennsylvania 17110-9443. To be accepted and judged, there must be a list attached to the inside of each box detailing its contents and who will pick up the box on Saturday after 2:00 p.m. The exhibit areas will be closed at 12 Noon.
10. Shipments by truck will be unloaded as directed at the Farm Show Building.
11. Ownership of exhibits. All exhibits remain the property of the exhibitor unless otherwise specified in the Department Rules. All livestock and live poultry will be released as noted in department rules. All other exhibits may be claimed by the exhibitor or his representative between 2:00 p.m. and 5:00 p.m. January 14. (Dept. 24 see page 120) If to be claimed by the exhibitor or his representative – will call for - must appear on the entry blank. If claimed by a representative of the exhibitor the entry blank must be so marked or the exhibitor must provide the representative with a written statement of the fact for presentation to the Show management. Unless called for within the allotted time the exhibits become the property of the Show.
12. Any exhibitor violating the release time or other Farm Show rules or regulations may lose the privilege of showing at a future Show or be subject to other appropriate action as deemed necessary by the Farm Show Commission.
13. Junior & Youth Division classes eligibility. These classes are open to 4-H Club members and Vocational Agriculture students. **Exhibitors must have been born in the years 1992-2002.** Exhibitors must be members of a regularly organized 4-H Club or be Vocational Agriculture Students, carrying a project in the field they wish to make entry and be under the supervision of the Pennsylvania State University Agricultural and Cooperative Extension Service or a Vocational Agriculture Instructor.
14. In classes where plaques are given, a plaque winner, if he prefers, may purchase a banner through Farm Show Management.
15. No alcoholic beverages are permitted in the Farm Show Complex during the Annual Farm Show or any other State related event. Violators will be subject to dismissal from the Show and forfeit all premiums.

LIVESTOCK AND DAIRY RULES

1. Exhibitors shall conform to all requests of the management to lead out their animals for parade, exhibition, judging contest, or other purposes. Refusal will result in forfeiture of prizes won and such other penalty as the Farm Show Commission may impose.
2. Pens and stalls will be assigned on the basis of the number of entries by each exhibitor. Each exhibitor's area will be clearly marked and there will be a chart posted listing stalling assignments. All exhibitors will use the pens or stalls assigned to them. These facilities are to be used only to tie or enclose livestock. In the case of animals entered but not exhibited, management will reassign excess pens or stalls as deemed necessary. A penalty of \$50 per animal will be assessed to the owner of each horse, dairy or beef animal entered and not exhibited at the Farm Show. Entries cancelled on or before November 3, 2011, will permit a refund of entry fees with no penalty. Entry cancellations received on or before December 27, 2011, will cause forfeiture of entry fees without penalty. In extreme or unusual circumstances, a veterinarian excuse or a written appeal of the assessment of the penalty will be considered if received by the Farm Show Director on or before Monday, January 9, 2012. Failure to pay the assessed penalty may result in disqualification from future Farm Show competitions.
3. Livestock trucks to be on Farm Show property during show week shall be parked - under the direction of the Farm Show Management - in the area set aside for such trucks as soon as unloaded. **All trailers must be parked at the off-site lot.**
4. All applications for entries must be made on printed forms giving class number, age, registration number (in case of purebred animals) and all other necessary information. These forms after being signed by the exhibitor are to be filed with the Director of the Show on or before closing date of entries, November 3. Entry forms may be secured by applying to the Director of Farm Show, or at any County Agricultural Extension Office or through the internet at www.farmshow.state.pa.us. Entries postmarked prior to September 20, 2011, will not be accepted.
5. To be eligible for competition, whether singly or in groups, animals (horses, sheep, swine, goats, dairy cattle, and beef cattle) must be

owned by the exhibitor except where otherwise specified, and must have been owned by the exhibitor on or before November 3, 2011.
Swine: See Rule 4, page 43. Dairy: See Rule 2, page 75. Beef: See Rule 4, page 46.

6. Entry fees for open class exhibits. Fees must be paid at time entries are made.
Horse - \$15.00 per head Dairy Cattle - \$15.00 per head
Swine - \$8.00 per head Dairy/Boer Goats - \$8.00 per head
Sheep - \$8.00 per head Beef Cattle - \$15.00 per head
No entry fee is charged for Junior exhibits. Any junior exhibit entered into an open show must pay open show fees.
7. Animals to compose a competitive group need not be designated at time entries are made, but must be entered and shown in individual classes. Sires of "get-of-sire" and dams of "produce of dams" are to be named at time of making entry.
8. All animals entered in the breeding classes must be recorded or accepted for registry in the recognized books of their respective U.S. Breed Association. Exhibitors must have registration and transfer Certificates available for inspection by management at all times until the judging of the breed is completed. Only original breed registration paper will be accepted when checking in entries. No Photostats, Facsimilies, or copies will be accepted. See Rule 2, page 75, for Dairy Cattle.
9. Junior Beef Breeding and Junior Sheep Breeding Livestock Leases: An exhibitor who owns animals of a given species may not lease an animal of that species. Leased Junior beef breeding and junior sheep breeding animals will be permitted to exhibit at Farm Show if the lease was submitted and approved at the county level prior to the county project deadline during the preceding calendar year. Signed leases must be submitted with registration papers at check-in. Leased animals must be housed in Pennsylvania and be leased from Pennsylvania producers.
10. Any exhibitor found to be showing an animal identified improperly will have the animal removed from the show and sale. All premiums and ribbons will be returned. That individual will not be permitted to show at the Pennsylvania Farm Show for one year in either the Open Show or Junior Show. The name of the exhibitor involved will be sent to all County Extension offices and The State Department of Vocational Agriculture.
11. Youth Replacement Showman: Youth are expected to show their own animals in all junior shows. In situations where other Farm Show shows conflict with this expectation, the specie superintendent may grant a special exception prior to the show.
12. In all cases the right is reserved to reject entirely or accept conditionally, any entry or application for entry if stalls or pens are not available.
13. If a beef, dairy cattle, sheep, dairy goat, meat goat, or horse breed does not have at least three exhibitors with a total of 15 animals exhibited each year for two consecutive years, that breed will be dropped from the show classification the following year.
14. No nurse cows will be permitted on the premises.
15. All exhibits must be in place as indicated in Department rules.
16. No entry fees will be refunded except when an applicant withdraws his entry before closing date for entries or when an application cannot be accepted on date of closing of entries because space is not available.
17. No animal will be awarded a prize unless removed from its stall and exhibited in the designated show ring at the scheduled time.
18. Substitution, within breed, of animals (horses, sheep, dairy cattle, meat goats, dairy goats, and beef cattle) entered for reasons satisfactory to the management will be permitted until the opening day of the show, provided the animal substitution was owned by the exhibitor at the time entries closed. All requests for substitutions of this kind and the reasons therefore, together with a description of the substitution animal shall be filed in writing with the Director. See Rule 7, page 43, for Swine. See Rule 11, page 76, Dairy Cattle.
19. No person other than those holding animals being exhibited will be allowed in the show ring during the time of judging, except the officials

and officially accredited reporters. Exhibitors and Breeders may obtain passes from the State breed association secretaries for the day their breed is judged.

20. Any movement of animals from one place to another within the Farm Show Complex must be done with two people controlling the movement, one person to lead or control the animal, the other to position him/herself to provide cautionary warnings to the public.
21. Due to limited storage space and to prevent obstruction of aisles and tie areas, livestock and dairy exhibitors are not permitted to bring excessive amounts of feed, hay and straw into the barns. A reasonable initial bedding will be supplied. Daily amounts of feed, hay, and straw may be purchased at the feed room. Exhibitors who furnish their own feed and forage may bring it into the barn between 10:00 p.m. and 8:00 a.m. All supplies must be stored subject to the approval of management.
22. Exhibitors will be required to maintain their respective areas in a reasonably clean and orderly condition at all times. Management will assign custodial personnel to clean disorderly exhibit areas. A charge of \$25.00 per hour per man will be made for such service. Repeated violations will result in refusal to exhibit at future shows.
23. Blocking chutes are permitted for beef and dairy cattle only. A twenty-five dollar (\$25) fee must be paid prior to November 3 for each blocking chute to be used during the Pennsylvania Farm Show. Each firm, farm, or family is limited to one chute for 1 to 3 animals, two chutes for 4 to 6 animals, etc. A fee of \$50 must be paid for the first chute above these limits and \$100 each for all others. A sticker will be furnished by show management to serve as proof of payment. Blocking chutes must have this sticker affixed to the right-rear upright at eye level, and remain in designated areas or they will be removed from the grounds.
24. The displaying of farm signs, banners, etc. over exhibits is encouraged. These displays must not interfere in any way with other exhibitors or with the conduct of the Show. Neither shall they create a safety hazard to animals or spectators. No equipment or decorative material may be nailed, tacked, screwed, or bolted to any part of the Farm Show Building or any of the fixtures therein. Exhibitors will be charged for damages to Farm Show property.
25. Power washers and other electrical equipment are prohibited in the washrooms and wash rack areas.
26. **Sale Deductions.** The Farm Show Scholarship Foundation will deduct 5 percent (Champions 14% and 75% above listed limits) of the net amount due each member after sales adjustments as specified under "Sale Deductions" on page 62.
27. **Transportation Allowance:** In order to facilitate a youth show representative of the entire State, a transportation allowance will be paid on a maximum of three entries per specie per exhibitor exhibited in the Junior Sheep Breeding, Junior Beef Breeding, Junior Meat Goat Breeding, Junior Dairy Cattle and Youth Dairy Goat Division Classes. This allowance shall be based on the State Highway Department's official mileage from Harrisburg to the various county seats. See the chart on page 20 for zones and rate of allowances.
28. **Animal Health Regulations:** The base date for computing health rules will be January 7, 2012.
29. Beef Cattle Tie Out Time - Cattle may be taken to the tie out area at 6:00 p.m., but must be in their exhibit area by 8:00 a.m.
30. **SAFETY:** In the event that the show committee determines that the showing or displaying of an animal(s) is potentially harmful to any exhibitor, animal, or the public, Farm Show Management reserves the right to prevent, dismiss or excuse an exhibitor from showing or displaying his animal(s), and in extreme circumstances ask the exhibitor along with his animal(s) to vacate the premises.
31. **Guidelines for Care of Animals:** It is the responsibility of each exhibitor to care for animals in a manner that is responsible and ethical. Following are some guidelines for the treatment of animals exhibited at the Pennsylvania Farm Show.

RESTRAINING ANIMALS

- Animals should be tied or penned in a manner that will not hurt the animal or restrict its breathing in any way.
- Animals should be tied so that all four feet are firmly on the ground and they have enough room to stand comfortably and lie down.
- Animals should be tied so that they are not able to injure animals tied near them.
- Animals unaccustomed to each other should not be penned together.
- Animals may NOT be muzzled at any time.

Handling - any type of rough handling which could harm the animal is prohibited. The use of whips, canes and show sticks should be restricted to showing only and then should be used only to guide the animals, not punish them. Remember, animals will respond quicker and better to quiet, gentle handling than loud, rough handling.

Bedding - all animals should have bedding which is dry and clean. Pens should be cleaned regularly to keep the animals clean and comfortable. If non-traditional bedding such as carpeting is used, it should be regularly cleaned (at least twice daily) to keep the pen free from manure. Straw, shavings, and corn cobs are permitted. Beef cattle will use shredded wood fiber supplied by Farm Show.

Feed and Water - animals should be well fed and have access to clean water regularly. Realizing that many market animals must have restricted amounts of feed to maintain the proper weight, animals must be fed adequate amounts of feed to meet the animal's basic requirements. Animals not allowed reasonable access to feed and water will be disqualified from the show.

Transportation - animals should be transported in a way that is both safe and considerate of the animal's well-being. In the winter, animals should be transported in enclosed trucks or trailers to protect them from the cold.

Blankets/Sweat Collars - any type of material such as blankets or sweat collars should be large enough to permit normal body functions such as breathing, eating, drinking or lying down.

Health - it is the responsibility of the exhibitor to provide proper health care for their animals through routine inspection and consultation with health care professionals. The improper or illegal use of drugs or antibiotics is prohibited. If medication is indicated, be sure to follow the label directions and allow more than the stated withdrawal time.

GENERAL: Note: No animal showing signs of contagious, or infectious disease, or external parasites will be allowed entry to the show.

Exhibitors must have all necessary health papers with the herdsman in charge when entries arrive at the show. All show animals should be held in isolation for at least 30 days after return to the herd of origin.

GROOMING: Use only grooming products that are approved for use on meat producing animals when fitting any animal for show. Unapproved products may contain ingredients that result in unacceptable residues in the meat. If it is not certain that a product is residue safe and approved for use on meat animals, don't use it!

MARKET ANIMALS: Animals consigned for slaughter during or immediately following the show shall not receive any treatment with drugs or biologics within the withdrawal time prior to slaughter. Withdrawal times for drugs and biologics are all stated on the directions for use.

Label directions must be followed at all times. A Drug Certification and Disclosure Statement must be submitted at weigh-in.

****Important**!** If upon slaughter, treatment with drugs, biologics, or any chemical from fitting products, is the condemnation of a carcass, the loss of the carcass and any other damages will be borne by the exhibitor. Market goats and market lambs will be tested for the presence of Ractopamine - HCL (Paylean).

HEALTH RULES FOR

BEEF CATTLE, STEERS, AND DAIRY CATTLE

1. **Certificate of Veterinary Inspection:** All cattle must be accompanied by a Certificate of Veterinary Inspection signed by an accredited veterinarian. The Certificate of Veterinary Inspection must be issued within the 30 days prior to the date of arrival at the show.
2. **Cattle Identification Requirements:**

- (a). All cattle for exhibition must be identified by a USDA-issued metal eartag; a breed registration tattoo if the tattoo is legible; a breed registration eartag; or an ISO-compliant 15-digit eartag (including RFID).

- (b). All market cattle must be identified by an RFID (tag) registered with Farm Show.

3. **Veterinarian-Client-Patient Relationship:** By entry into the show, the exhibitor is confirming that he has established a Veterinarian-Client-Patient-Relationship for the animals he is exhibiting. A Veterinarian-Client-Patient Relationship is a relationship in which the veterinarian has assumed the responsibility for making veterinary medical judgments regarding the health of the animal and the need for veterinary medical treatment and the owner or caretaker of the animal has agreed to follow the instructions of the veterinarian in relation to zoonotic diseases.

4. **Rabies Vaccination:** A current rabies vaccination administered by a licensed veterinarian is required for animals three months of age and older (market cattle are exempt from this vaccination requirement). All vaccine label directions must be followed, and all rabies vaccinated cattle must be accompanied by a rabies vaccination certificate or the vaccination information must be included on the Certificate of Veterinary Inspection. If a rabies vaccination certificate is provided, the certificate must contain legible name and contact information of the veterinarian who administered the vaccine and the veterinarian's signature. A copy of the rabies vaccination certificate is acceptable.

Market steers are not required to have a rabies vaccination.

5. **Other Vaccination Recommendations:** It is highly recommended that all cattle entering the show be immunized against IBR, PI3, BVD, and BRSV. Drug and vaccine label recommendations must be followed, including but not limited to milk and slaughter withdrawal periods.

HEALTH RULES FOR EQUINE ANIMALS

1. **Certificate of Veterinary Inspection:** All equine animals must be accompanied by a Certificate of Veterinary Inspection signed by an accredited veterinarian. The Certificate of Veterinary Inspection must be issued within the 30 days prior to the date of arrival at the show. The name of the laboratory conducting the equine infectious anemia test, and the date of the test and result must be listed on the Certificate of Veterinary Inspection.

2. **Equine Infectious Anemia Test Requirements:** All equine animals must have tested negative for equine infectious anemia by an official test (Coggins or ELISA) within the 12 months prior of arrival at the show. Foals less than 6 months of age accompanied by a dam which meets the above requirements are exempt from equine infectious anemia testing requirements. For foals less than six months of age and not accompanied by the dam, a copy of the dam's test results must accompany the foal to its final destination. The negative report must accompany the equine and must include an accurate description including age, color, sex and any other reliable identification such as tattoos, distinctive marks, etc. Solid color animals must be identified by some method of unique identification such as lip tattoo, brand, or at least two distinctive markings such as whirls. The name of the laboratory conducting the equine infectious anemia test, the date of the test and the negative test result must be listed on the Certificate of Veterinary Inspection.

3. **Veterinarian-Client-Patient Relationship:** By entry into the show, the exhibitor is confirming that he has established a Veterinarian-Client-Patient-Relationship for the animals he is exhibiting. A Veterinarian-Client-Patient Relationship is a relationship in which the veterinarian has assumed the responsibility for making veterinary medical judgments regarding the health of the animal and the need for veterinary medical treatment and the owner or caretaker of the animal has agreed to follow the instructions of the veterinarian in relation to zoonotic diseases.

4. **Rabies Vaccination:** A current rabies vaccination administered by a licensed veterinarian is required for animals three months of age and older. All vaccine label directions must be followed, and all rabies vaccinated equine animals must be accompanied by a rabies vaccination

certificate or the vaccination information must be included on the Certificate of Veterinary Inspection. If a rabies vaccination certificate is provided, the certificate must contain legible name and contact information of the veterinarian who administered the vaccine and the veterinarian's signature. A copy of the rabies vaccination certificate is acceptable.

5. **Other Vaccination Recommendations:** The Department recommends that exhibitors consult with their veterinarians about the proper vaccination regimen for their animals.

HEALTH RULES FOR GOATS

1. **Certificate of Veterinary Inspection:** All goats to be exhibited must be accompanied by a Certificate of Veterinary Inspection signed by an accredited veterinarian. The Certificate of Veterinary Inspection must be issued within the 30 days prior to the date of arrival at the show.
2. **Goat Identification Requirements:**
 - (a). All goats for exhibition must be identified by an official USDA scrapie eartag; a USDA-approved scrapie tattoo (in addition to individual ID); a USDA-approved custom scrapie eartag; an ISO-compliant 15-digit eartag (including RFID); or a breed registration tattoo if the tattoo is legible and the registration certificate accompanies the animal. The animal ID must be included on the Certificate of Veterinary Inspection.
 - (b). Market goats must be identified by an RFID (tag) registered with Farm Show **AND** one of the following: An official USDA scrapie eartag; a USDA-approved scrapie tattoo (in addition to individual ID); a USDA-approved custom scrapie eartag; an ISO-compliant 15-digit eartag (including RFID); or a breed registration tattoo if the tattoo is legible and the registration certificate accompanies the animal for official identification purposes at the Pennsylvania Farm Show.
3. **Veterinarian-Client-Patient Relationship:** By entry into the show, the exhibitor is confirming that he has established a Veterinarian-Client-Patient-Relationship for the animals he is exhibiting. A Veterinarian-Client-Patient Relationship is a relationship in which the veterinarian has assumed the responsibility for making veterinary medical judgments regarding the health of the animal and the need for veterinary medical treatment and the owner or caretaker of the animal has agreed to follow the instructions of the veterinarian in relation to zoonotic diseases.

HEALTH RULES FOR SHEEP

1. **Certificate of Veterinary Inspection:** All sheep must be accompanied by a Certificate of Veterinary Inspection signed by an accredited veterinarian. The Certificate of Veterinary Inspection must be issued within the 30 days prior to the date of arrival at the show.
2. **Sheep Identification Requirements:**
 - (a). All sheep for exhibition must be identified by an official USDA scrapie eartag; a USDA-approved scrapie tattoo in addition to individual ID; a USDA-approved custom scrapie eartag; or an ISO-compliant 15-digit eartag (including RFID). The animal ID must be included on the Certificate of Veterinary Inspection.
 - (b). Market sheep must be identified by an RFID (tag) registered with Farm Show **AND** one of the following: an official USDA scrapie eartag; a USDA-approved scrapie tattoo in addition to individual ID; a USDA-approved custom scrapie eartag; or an ISO-compliant 15-digit eartag (including RFID) for official identification purposes at the Pennsylvania Farm Show.
3. **Veterinarian-Client-Patient Relationship:** By entry into the show, the exhibitor is confirming that he has established a Veterinarian-Client-Patient-Relationship for the animals he is exhibiting. A Veterinarian-Client-Patient Relationship is a relationship in which the veterinarian has assumed the responsibility for making veterinary medical judgments regarding the health of the animal and the need for veterinary medical treatment and the owner or caretaker of the animal has agreed to follow the instructions of the veterinarian in relation to zoonotic diseases.
4. **Rabies Vaccination:** A current rabies vaccination administered

by a licensed veterinarian is required for animals three months of age and older (**market sheep are exempt from this vaccination requirement**). All vaccine label directions must be followed, and all rabies vaccinated sheep must be accompanied by a rabies vaccination certificate or the vaccination information must be included on the Certificate of Veterinary Inspection. If a rabies vaccination certificate is provided, the certificate must contain legible name and contact information of the veterinarian who administered the vaccine and the veterinarian's signature. A copy of the rabies vaccination certificate is acceptable. **Market sheep are not required to have a rabies vaccination.**

HEALTH RULES FOR SWINE

1. **Certificate of Veterinary Inspection:** All swine must be accompanied by a Certificate of Veterinary Inspection signed by an accredited veterinarian. The Certificate of Veterinary Inspection must be issued within the 30 days prior to the date of arrival at the show.
2. **Swine Identification Requirements:**
 - (a). Breeding swine must be officially identified with one of the following: A legible herd tattoo in combination with an ear notch; a state issued metal eartag; or an ISO-compliant 15-digit tag (including RFID). **The show veterinarian is not required to issue a CVI for animals that do not have legible identification at the time of sale.**
 - (b). Market Swine must be identified by an RFID (tag) registered with Farm Show for official identification purposes at the Pennsylvania Farm Show.
3. **Veterinarian-Client-Patient Relationship:** By entry into the show, the exhibitor is confirming that he has established a Veterinarian-Client-Patient-Relationship for the animals he is exhibiting. A Veterinarian-Client-Patient Relationship is a relationship in which the veterinarian has assumed the responsibility for making veterinary medical judgments regarding the health of the animal and the need for veterinary medical treatment and the owner or caretaker of the animal has agreed to follow the instructions of the veterinarian in relation to zoonotic diseases.
4. **Brucellosis and Pseudorabies Testing Requirements for Breeding Swine:**
 - (a). **Brucellosis:**
 - *All breeding swine for **exhibition and sale** must have had a negative brucellosis test **within the 30 days prior to the date of sale**, or must originate from a Validated Brucellosis Free Swine Herd, and the herd number, test results, and date of the last herd test shall be listed on the Certificate of Veterinary Inspection.
 - (b). **Pseudorabies:**
 - *All breeding swine for **exhibition and sale** must have had a negative pseudorabies test **within the 30 days prior to the date of sale**, or must originate from a Qualified Pseudorabies Negative Swine Herd, and the herd number, test results, and date of the last herd test shall be listed on the Certificate of Veterinary Inspection.
 - ***Brucellosis and Pseudorabies Testing Requirements for Market Swine:**
 - (c). **Brucellosis:** No brucellosis test is required for market swine sold for immediate slaughter.
 - (d). **Pseudorabies:** No pseudorabies test is required for market swine sold for immediate slaughter.
